SUBJECT : Revision of Table of Organization to Reflect  
Manpower Staffing and Development Requirements  
(Proposed Regulation No. [REDACTED])

25X1A

1. The Management Staff and the Office of Personnel have carefully reviewed the several plans and recommendations regarding the above subject and submit herewith a revised single proposal on behalf of Management and Personnel.

2. In submitting this plan consideration has been given to the comments and recommendations of SSA/DDS which are in accord with the joint views of Management and Personnel. However, we are mindful of the requirements of the DDI and IDS organizations which may differ, in varying degrees, with those of the DDP. It is the recommendation of Management and Personnel that these differing requirements be met by development of separate operating procedures, as needed, to implement the single basic policy and plan.
